I attempted to write a piece for this newsletter about our time in Cambodia. To put such an experience into a few short paragraphs is impossible. The following is an excerpt from our blog written, for the most part, by Mr Gough and I would like everyone to read his words as they capture so well our two weeks, much better than could be written for this newsletter.

I am very sad to be going. The work here has been so deeply rewording. Anne's already talked about all of the students we will reach with what we've done, but I will remember most strongly the faces of the teachers who did our workshops. In fact it's more the expressions that will stay with me. They are made doubly important when there's a language barrier. In the workshops: eagerness, comprehension, curiosity, bewilderment, scepticism, delight, concern, shyness. In the classrooms: energy, hope, joy, enthusiasm and love. All the teachers I saw seem to love their work. I hope they do. I do. Especially over this unforgettable two weeks.

Thank you to our amazing community for all the efforts put in place to support the fundraising for this worthy cause. We are able to come back and let you know that all the money raised for See Beyond Borders is spent wisely, thoughtfully and in a way that will impact on so many students.

Next week is Education Week across all NSW Public Schools and we have a few celebrations in place. We do hope you can join us for at least one of the events.

On Monday, we welcome to our school a visiting Vice Principal from Ottawa, Canada. Ms Pillon will be here for two weeks as part of the Leading Educators Across the Planet (LEAP) program learning about the similarities and differences between the two schooling systems and seeing all the wonderful things that we have to share here at Glenwood.

We were all very sad to hear that Mrs Searle had applied for and gained a position at Guise Public School for the next eighteen months. We will all miss her and wish her well in her new school. The Assistant Principal position here at Glenwood has been advertised through an expression of interest and we hope to have an amazing teacher filling her role within two weeks.

P&C News
Welcome back for Term 3.

Term 2 was a great success for Glenwood P&C. Our last fundraiser for Term 2 was the Athletics Carnival held on 19th June. A big thank you to the teachers who organised the smooth transition of students from the oval to the canteen to collect their lunches. It was a wonderful winter's day and once again our lunch packs were very popular. We raised over $600 profit just on lunch packs and over $200 for the canteen. Once again, the day would not have run as smoothly without our wonderful volunteers.

I would like to thank the following volunteers who helped on the day and they are, Pam Markiewicz, Jade Sadowski, Anna Cairns, Ray Mosley, Aleeya Stanford, Justin Cryer, Daniel Metcalfe and Julieanne Taute.

Newsflash! Hot chocolates are back to their original price of $1.00!
