### Our Feature Class of the Week: 2C

2C have been busy working hard this term and learning how to be leaders of the K-2 group. Our theme this year is being learning superheroes and we have shown that we are exactly that!

We have been looking at our families both past and present which have led us to believe that life was very different for our families long ago.

In writing we have been learning about how our sentences can become SUPER sentences. To make our sentences SUPER we can use Add In Words and Change Words to make our writing more engaging!

Thank you to our classrooms helpers, you make a big difference!

We are looking for a very exciting year ahead in 2C!

**School Photo Day & Selective High School Exam**

School Photo Day is on Thursday 10th March. Students attending the Selective High School Exam on this date must return to school promptly as their class photos have been scheduled once they return to school.
Glenwood has a strong tradition in the area of Public Speaking with many of our students performing very well in past years’ competitions.

In recognition of the standard and interest exhibited by the student body, in 2016 we have made some minor changes to the method in which Public Speaking will operate at Glenwood. This year there will be two competitions held at Glenwood.

### Multicultural Perspectives Public Speaking Competition Terms 1 & 2
- All students (Stages 1 – 3) are expected to participate at a class level by writing and delivering a speech based on one of the given topics.
- Two students from each class will be selected to compete at a Stage level in school.
- First and second place winners from Stage 2 and 3 will have the opportunity to represent Glenwood at the area final in Term 2.

### Glenfield Group Public Speaking Competition Terms 3 & 4
- Students – Stages 1 – 3, enter via an expression of interest or teacher invitation.
- An in-school competition is held at Stage level.
- First place winner from each Stage (1, 2 and 3) will have the opportunity to represent Glenwood at the local Glenfield Group Public Speaking Competition.

In previous years, the third place winners from Stage 2 and 3 and the Stage 1 first place winner from the Multicultural Perspectives Competition have progressed through to the local Glenfield Group Competition. However, this second in-school competition provides students with another opportunity during the second half of the year to showcase their improvements.

Details regarding the Multicultural Perspectives Public Speaking Competition will accompany this overview. Information and topics for the Glenfield Group Competition will be sent home during Term 3.
